

Arizona MESA Advisor Training Institute 2017

When: **Friday, September 8**
 9:30 AM – 5:00 PM

Saturday, September 9
8:00 AM - 3:00 pm

Where: **Environment & Natural Resources 2 Building**
 1064 E. Lowell Street
 The University of Arizona Campus

Who: **MESA Advisors**, due to limited space only 2 advisors per school will be allowed to attend.

Why:

Our annual Arizona MESA Advisor Training Institute (MATI) is an event that provides educators with an opportunity to explore, share, practice and improve essential skills that STEM educators need to support independent inquiry. Lead by MESA's STEM advisors and staff, these workshops will also introduce educators to the Arizona 2018 MESA Day Book of Challenge Specifications as well as related curricular tools and skill-focused activities that are aligned with national standards (NGSS, CCSS). Some workshops will provide short, hands-on, creative experiences in the engineering design process that you can implement with your students.

Sessions will include presentations from MESA partners including QESST, Women In Science and Engineering, Xerocraft Makerspace, and special presentations by the UA Institute of the Environment, and the OSIRIS-REx mission. Topics will include competition changes, recruitment strategies, MESA program ideas and activities, Arduino programming, and preparing for the national competition.

Attending advisors will be provided a STEM Resource Kit to support general STEM activities presented and to assist students in taking on the design challenges.

Please note that Friday's lunch and Saturday's breakfast (continental) and lunch, will be provided.

We hope you will attend, share your insights about STEM education, and help grow MESA's community of professional STEM educators.

Arizona MESA Advisor Training Institute 2016
September 8-9, 2017

This form is on-line at azmesa.arizona.edu/MATI.

Advisor's Name: School:

Mobile Phone: Email:

I will attend the MESA Advisor Training Institute: Yes No

Fee Options (use attached invoice for payment):

- My school is paying the Full Program Fee (includes 2 advisors for MATI), \$550 or \$600
Paying for MATI separately, \$100 per advisor, max of 2.
Not attending MATI, but I would like to buy the STEM Resource Kit.

Accommodations

Overnight accommodations will be arranged for those advisors from outside the Tucson Metro area who wish to stay overnight. Arrangements will be for double occupancy and you may request a specific roommate if you have a preference. We will make every effort to accommodate your request. However, both roommates should indicate their preference for each other. If no specific request is made, our staff will match you with another advisor of your same gender.

I would like overnight accommodations: Yes No

Gender: Roommate Requested:

Are there any access accommodations that you will require to participate in the workshops?

Meals

Friday, September 8 - Lunch will be provided for all attendees.
Saturday, September 9 - Continental Breakfast and lunch will be provided.
If you would like to make us aware of any special dietary needs, please provide an explanation below:

Other information or comments that you would like to provide:

We look forward to seeing you at MATI!

Please return this form or complete it on-line by August 30
Payment will be due by September 8, please use the invoice included with the MOU.
